JULY 2009

COASTAL!

Something seems fishy at Chandler 4 Corners for 2009- and it is!

We love, love, love the seaside and everything that goes with it.

By the sea, by the sea, by the beautiful... you get the idea.

Anyway, we're all about enhancing the coastal theme in your decorating and this year our offerings are more extensive than ever.

You'll find everything from whales to sailfish, lobsters to crabs, sailboats, anchors and much, much more. By the way, have you ever seen happier looking lobsters in a pot? Ever?
